

MICHIGAN YOUTH TREATMENT IMPROVEMENT & ENHANCEMENT (MYTIE) GRANT

Data & Reporting Requirements

CONTINUOUS REPORTING

For Clinical Staff

GAIN I CORE ASSESSMENT

RECOMMENDED

Each client will be assessed using the GAIN I Core Assessment by a masters level clinician who has completed GAIN training.

GPR

Each client will be assessed using the GPR at: intake, discharge, and 6 month follow up. Data is sent to the evaluation team electronically ONLY via Qualtrics.

FIDELITY MONITORING

For Clinical Staff.

A-CRA fidelity will be gathered directly from Chesnut Health Systems.

TF-CBT will also be gathered directly from the Community Mental Health Authority of Clinton, Eaton, Ingham Counties (who facilitates the training).

Motivational Interviewing fidelity information will be gathered directly from Apprecots.

There will be no fidelity monitoring for Seeking Safety.

***Due to fidelity monitoring, it is crucial for clinical staff to complete all certification components of training in a timely fashion.*

MONTHLY REPORTING

For Administrative Staff

MONTHLY QUALTRICS SURVEY

Grantees will be sent a monthly reporting survey via Qualtrics. The survey is meant to provide a brief implementation update. An annual report will be drafted utilizing the information submitted.

ANNUAL REPORTING

For Administrative Staff

SITE VISIT SURVEY

Must be completed ONE WEEK prior to site visit, will be sent via Qualtrics. Meant to gather barriers and successes to guide site visit conversations.

IAC SATISFACTION SURVEY

A brief annual survey will be sent to IAC members to gather feedback.

FINANCIAL MAP

Annually a financial map report will be drafted, grantees may be asked for updated financial reports.

OTHER REPORTING

For Administrative Staff

MONTHLY SURVEY

Required of each grantee via a monthly Qualtrics survey.

WORKFORCE SURVEY

Alternating years, a workforce survey will be distributed state wide. Participation is encouraged.
